Please list the QMS stocks that this application relates to and the percentage consent obtained for each of them.

To calculate the percentage consent, divide the total number of quota shares that you have obtained consent for by 100,000,000 then multiply by 100. (e.g. 95,000,000 quota shares consented ÷ 100,000,000 x 100 = 95%).
