Variation Details

Variation Details

Please note you must complete all columns of the table.

If you are varying more stocks than can fit on the table provided, please continue on a photocopy of the table.

Stock

This is the stock code of the stock that is caveated. The stock code that is specified must match the restriction number against which it is registered.

Account

This is the account where the quota shares are held by the quota owner. Please refer to your quota holdings summary for details of your accounts.

Restricted Amount

This is the amount of quota that is currently caveated on the Quota Register, prior to this application.

New Amount

This is the amount of quota you wish to remain caveated after registration of this application. Upon registration, the difference between the Restricted Amount and the New Amount will be withdrawn. Please note you cannot increase the amount caveated.

Restriction Number

This is the restriction number for the caveated stock. This number is contained in the original registration notice, these details can be viewed online from the Quota menu under Mortgages / Caveats
